MESSAGES

Our dear Friends

Mabuhay!

As we close the year 2019, it is the time to offer our Thanksgiving to our Creator who gave us the opportunity to serve our needy and sick brothers. Likewise, to our benefactors and friends who had unrelentingly provided their much needed assistance in this pursuit.

We now face the New Year with the same challenge and fervent hope for another successful year. May the blessings of our Lord be always with us.

Telesforo E. Gana, Jr. M.D.
Chairman and President

THE WIND BENEATH OUR WINGS

Greetings to all!

Continuing our journey for being the anchor of our less fortunate sick brothers and sisters, I pray and wish that the PGHMF I family would once again gather together to a more bountiful and productive 2020 notwithstanding the challenges of 2019 which the Foundation hurdled successfully.

May our Lord's greatness and merciful heart pave the way to achieve our goals for the coming year.

joined hands in helping the Brachy Therapy Unit of the
Radiation Oncology Section of the Department of Radiology.*

By: Aveline Marie D. Ylanan, MD
Radiation Oncology Resident,

Cervical cancer is the second most common type of cancer in women in the Philippines. It is commonly treated with concurrent chemoradiation; with radiation given via external beam radiotherapy (EBRT) and brachytherapy. The medical instruments and brachytherapy equipment donated by the Jaime Ongpin Foundation and Metrobank Foundation through the PGH Medical Foundation, Inc. significantly helped in improving the delivery of brachytherapy services for our underserved patients. Charity patients with cervical cancer have been treated with brachytherapy without any out-of-pocket expenditure. Thank you for the donations that have allowed us to give our patients a better opportunity for cure.

Joint birthday celebration of PGHMFI Chairman Dr. Gregorio T. Alviar Jr. and Execom member Dr. Irma Coronel, both born in August. The celebration was held during the Executive Committee meeting on August 8, 2019 of the PGHMFI Office.

A TRIBUTE TO THE MAN WHO SPENT HIS 20 YEARS IN PHILANTHROPIC ADVOCACY

*“Philanthropy is not a monopoly of the rich
but an act resulting from deep concern for others,
for the unfortunate, for the underprivileged,
and the marginalized who have little hope.
It is a manifestation of gratitude from those of us
who are privileged and fortunate enough
to be in a position to share.”*

Dr. Greg Alviar, Jr.

Dr. Gregorio T. Alviar Jr. came home after his successful medical practice in the United States. When he visited the Philippine General Hospital, he offered the service of the Alabang Garden Club to beautify the PGH Atrium. He was invited by then PGH Director, Dr. Juan Ma. Pablo Nañagas, to lead and revitalize the PGH Medical Foundation, Inc. (PGHMFI). Dr. Greg heeded the call to put PGHMFI on track by dedicating his time, effort and resources through his diligent effort and perseverance together with its members of the Board of Trustees. The PGHMFI since then has embarked on various projects which are directed toward its sole objective of providing efficient and effective support to PGH in serving the less privileged Filipinos. He would be proud to see where it is now.

After having served his mission on earth, Dr Greg was called from his mortal life to join his Creator on October 6, 2019. He had lived a full life using his God established profession in serving his needy sick brothers, through the Foundation’s ethical principles of Altruism and Social Responsibility. He was, indeed, a good steward of his God given purpose.

**Sa Iyo Greg, Mula sa Natatanging Kaibigan...
Danny,**

Di akalain kita'y magiging kaibigan
Ngunit naglapit agad ating kalooban
Sa araw sa gabi man ng tawagan
Seryosong umpisa mauwi sa tawanan.

Nang minsan kami ay katuwaang nagtalo
Nagmalaking sa U.P nagtapos ng kurso.
Proud at mga national artists mula dito
Kami man sa U.S.T ang national hero.

Tubong Bukana ilog Negros Occidental
Gregorio't Susana magulang nyang minahal
Kapatid na Fely, Arthur, Gresung panganay
Pawing pinangaral pinalaking marangal.

Mahigpit at strikto kanyang pagkatao
Hangad bawat bagay maging organisado
Ang lahat sa trabaho maging preparado
Pagkat sa gawain nais nya'y perpekto.

Pag nagalit sya nakakulot ang noo
Ang tangi nyang hangad lahat maiwasto
Naiinip siya kung mabagal ang takbo
Lalo na maraming dapat iasikaso.

Maayos sa proyekto lubhang tutok ito
Napakahusay na duktor mabuting tao.
Tunay na kaibigan talagang totoo
Kung may magagawa siya tutulong ito.

Madaling lapitan madaling kausapin
Yan ang sinasabi ng marami sa atin.
Mabilis palambutin ang kanyang damdamin
Handang tumulong agad aasikasuhin.

Tunay na saksi ako sa dedikasyon mo
Madalas ginagawa kahit nagsosolo
Kahit maraming taong tutulong sa iyo
Mas mabilis daw kung siya gagawa nito.

Ang madalas sa akin kanyang nababangit
Kapakanan ng foundation hindi mawaglit.
Ang paglapit sa donor kanyang sinusulit
Financial independence nito ay makamit.

Iniiwasan nyang tila nag-uutos
Ayaw din nya naman parang nagpapalimos.
Ang kalooban niya binuhos ng lubos
Dahil PGH Medical Foundation kapos na kapos.

Nuong una nga may alinlangan pa ako
Pagkat bagay nato bahala ang gobyerno
Ngunit sa tindi ng iyo pagsusumamo
Ako ay nagbigay nang aking mapagtanto.

Bilib ako sa kanyang kakayahang pinapakita
Nasabi ko noon sitenta anyos na siya
"Bale wala yan ang foundation mahalaga"
Kung ito kailangan lahat gagawin nya.

Tunay kang haligi ng isang institusyon
Ginamit sa Mabuti ang iyong posisyon
Doon itinuo ang lubhang dedikasyon
Upang ayusin ang lahat sa naaayon.

Minsan may lumapit mayamang matrona
Upang ipagamot ng libre amg asawa
Magalang sinabi ni Greg... "Iwasan natin sana
Na ang para sa mahirap... mapunta pa sa may kaya".

Sa mga huling araw ang magpapatunay
Tigib pasasalamat natamo sa buhay
Muli niyang Nakita daigdig na makulay
Nagbalik loob sa Diyos nagsilbing gabay.

Madalas sabihin utang na loob niya
Ang pasasalamat kina Claver at Ona
Maging kina Randolph, Max, Che-Che at Jessica
Malaman niyo ang kanyang pagpapahalaga
Sa bawat alaga niyong binigay sa kanya.

Kasunduan, sino man mauna sa amin
Gabi ng lamay tatayo may sasabihin
Anumang kuwento natin pwedeng banggitin
Wag lang X-Rated daming conservative parin.

Panalangin mo lagi kung ikaw kukunin
Bawian ka ng buhay habang nahihimling
Malakas ka sa langit natupad ang hiling
Bagamat magdudulot ng lungkot sa amin.

Paano umaga kung na tawag mo
Yan ang bisyo ng mga taong retirado
May gabing tawag din kung may dagdag kuwento
Kung wala nito araw namiy di kumpleto.

Bakit noong Sabadong kausap kita
Di man lang nagsabing aalis kana pala
Pasensya na Greg di muna ako susunod...
Hihintayin nalang kita...

Pagbaba mga tabing aming papalakpakan
Ikaw ang bida mahusay mong ginampanan
Ang buhay mong papel mahirap masundan
Sana ay maalala ka nang walang hanggan!!!

Job well done Greg!!
